Latino Center of the Midlands Programs

Family and Community Well-Being

Empowering clients to live healthy, self-sufficient, and fulfilling lives through physical and mental wellness programs, strong healthcare partnerships, and advancing intergenerational well-being.

Healthy Communities

To create sustainable health programming that fosters awareness, educates and supports the health and wellness of our Latino and immigrant community.

Programming Includes

Healthy Communities offers a range of services and educational opportunities designed to promote prevention, wellness, and access to care, including:

- Health screenings
- Vaccine clinics
- CPR and First Aid Training
- Youth Mental Health First Aid Training
- Bienvenido Mental Wellness Program
- Free mammogram screenings
- Annual Women's Health Conference

Cultivate Wellness

Providing clients with the skills, training, and resources to grow fresh produce, fostering food security, self-sufficiency, healthy living, and stronger community bonds through home gardening.

Cultivate Wellness, is a free at-home gardening and health program that empowers families to grow fresh, culturally relevant produce while improving access to affordable, healthy food.

Through hands-on training and weekly home visits, staff support low-income households with garden development, health education, service referrals, and personalized guidance that promotes healthier lifestyles and long-term resilience.

Latino Center of the Midlands Programs

Family and Community Well-Being

LCM Health and Innovation Garden

Managed by the Cultivate Wellness program, the LCM Health and Innovation garden is a vibrant hub where hands-on learning, sustainable agriculture, and community connection come together.

Siembra Salud Internship Program

Siembra Salud interns support Cultivate Wellness by delivering health education, leading hands-on gardening activities, and helping maintain the LCM Health & Innovation Garden while gaining real-world public health experience.

Latino Center of the Midlands Programs

Workforce Education & Innovation

Workforce Education and Innovation strengthens Omaha's bilingual and Latino workforce through educational initiatives and on the job training.

Adult Education Classes

We empower Latinos and immigrant communities through innovative, culturally responsive educational programs that create pathways to career advancement, promote self-sufficiency, and strengthen community integration—providing accessible learning opportunities and personalized support to help individuals build the skills and confidence to thrive.

Registration for Adult Education classes is by semester, to learn more visit <https://www.latinocenter.org/adult-education/>

Adult Education Classes

- **English Language Learning (ELL) Level 1 and Level 2**
 - (Offered in English only with some support in Spanish) Students will develop their language skills in English through reading, writing, comprehension and conversation.
- **Basic Spanish Literacy**

Workforce Education and Innovation

Siembra Nebraska Internship Program

Providing high school and college students with internships across diverse fields, fostering leadership skills, professional growth, and career readiness through hands-on experience and structured mentorship.

Siembra Nebraska

Siembra Nebraska connects high school and college students to hands-on internships across diverse fields through five specialized branches, cultivating leadership, professional growth, and career readiness. Interns are matched with local organizations aligned with their career goals and gain real-world experience through professional development workshops, job shadowing, and meaningful projects that prepare them for long-term success.

The internship program begins at the end of May and goes until the beginning of August. Applications open in December, for more information visit <https://www.latinocenter.org/get-involved/siembra-nebraska/>

Internship Branches

- Siembra Carreras (Growing Careers)
- Siembra Construcción (Growing Construction)
- Siembra Medios (Growing Media)
- Siembra Raíces (Growing Roots)
- Siembra Salud (growing Health)

Siembra Nebraska Host Sites

Siembra Nebraska partners with local businesses and organizations—known as Host Sites—to place interns in roles that align with their career goals and chosen branch. These Host Sites provide meaningful opportunities for interns to gain hands-on experience, develop new skills, and grow within their field of interest.

Siembra Nebraska ERG

Siembra ERG is a volunteer network of Omaha professionals who support the Siembra Nebraska Internship Program by mentoring interns, coordinating job shadowing, and leading the Synergy Conference—connecting students to skills, careers, and professional networks. To learn more, contact our team at 402-733-2720 or siembrane@latinocenter.org.
